

THE CAROUSEL OF SMILES

CAROUSEL RESTORATION PROJECT

a Carousel for Sandpoint

Envisioning “The Stable”

**A restored *Golden Age* Carousel
with art & activity spaces
operating in a fabulous year-round venue
In Sandpoint, Idaho**

Part b: The Facility

**Working with the city of Sandpoint, Idaho to find a
permanent home for *The Carousel of Smiles* and
its associated activities.**

An Evolving Process

**The following renderings and designs
were created in collaboration with
architect Tim Boden and his team.**

**This is a Concept Mass Model
Textural Finishes and Details are still to be determined**

BODEN
ARCHITECTURE

Design of the Carousel Pavilion & Art Center and the anticipated programs & activities has been inspired by the community.

**Expressed desires from the community
are put forth in various City Master Plans and documents**

- More year-round activities,**
- Greater opportunities to engage in
and support the arts and culture,**
- Robust downtown core and balance of life**
